PRODUCT LIST

PRODUCTS

We, at LIFEPharma, envisage that we will enrich the lives of people around the world with an expansion of our product range in solid dosage form as well as in the form of injectable solutions, vaccines and oncology treatments, which are currently in the pipeline.

Through our parent company, VPS Healthcare, we are able to distribute these products to pharmacies, hospitals and emergency services. We pride ourselves in our ability to make the pharmaceutical products that we manufacture as widely available as possible.
